Dear Parent:

This directory was prepared by the Parent Coordinators of the Southern Seven Health Department/Head Start/Early Head Start Program to assist Head Start Families in the southern counties of Illinois (Alexander, Hardin, Johnson, Massac, Pope, Pulaski and Union). It is a listing of services available to you within your county and adjoining counties. Please take a few moments to read through the directory. You might be surprised to find that some agencies offer services other than those their names imply. A copy of this directory will be distributed to each parent and made available for other agencies upon request.

Information in this directory has been updated prior to the time of publication. We hope this booklet will be of use to you. If further information or assistance is needed, please feel free to contact the Head Start Administrative Office at 634-9340, our toll free number is 1-800-698-4820 or the Head Start Center in your area.
